

INSTRUCTOR (FIELD)

Kansas City International Airport, Missouri (MCI)

Adacel Technical Services, Inc. "ATS" provides a complete set of on-site training services for aerospace and defense markets. Services include instructional delivery, simulation operation and maintenance, instructional system design, and training support.

The Instructor (Field) will work in an office environment with minimal direct ATS supervision and work closely with FAA personnel.

Job Responsibilities

- Conduct and administer classroom and simulation courses at the FAA's Field Sites
- Participate in Instructional System Design projects

Requirements

- 5 years of recent Certified Professional Controller experience controlling live traffic OR recent experience as a contract Instructor at an FAA facility required
- Recent experience must be at the same type and same level of ATC facility
- Must be able to pass a Government background investigation
- Must be able to obtain a Public Trust clearance

Submit your resume to careersusa@adacel.com if you are interested in this opportunity.

Reasonable accommodations may be provided to enable individuals with disabilities to perform the essential functions of this job.

Adacel Technical Services, Inc. is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability and protected veteran status.
