

## **OUTREACH MANAGER**

### **NASA Ames Research Center - Moffett Field, CA**

Adacel Systems, Inc. ("ASI") produces simulation training systems and provides services to commercial, defense and export markets. ASI offers a comprehensive range of fully scalable customizable simulation systems from desktop trainer to complete 360-degree room-sized Air Traffic Control tower environments. We provide professional ATC training simulation systems and services for governments, universities and civilian air traffic control agencies worldwide.

#### **Responsibilities**

- Organize, attend, and/or participate in special events and promotions advocating air traffic management studies.
- Serve as spokesperson for the organization at meetings, special and media events.
- Responsible for developing and implementing all outreach and marketing activities, campaigns, and strategies to promote air traffic control programs.

#### **Requirements**

- Bachelor's Degree in Business or Aviation required.
- Master's Degree desired.
- Typically requires 10+ years of Aviation-related experience.
